VICTOR SECURITY SERVICES

ABOUT US

Victor Security Services was founded by security professionals. We provide services all over Maharashtra. The company commenced with a modest strength under the leadership of Vidhya Kumar Singh, founder of the company. He organized teams of dedicated and loyal security men and led them to numerous successful achievements one after another.

At Victor Security Services we take pride in providing top-notch security solutions and exceptional customer service. Our team is trained by retired army and Navy officers and offers a range of services designed to give you peace of mind.

VISION

Our vision is to become a leading supplier of door supervisors and security personnel all over Maharashtra. Always focused to achieve total quality performance by providing superior quality of services. With our expert knowledge and experienced fully licensed personnel, Victor security services offer a professional, high quality "tailor made" service, aiming to exceed every client's expectation. Victor security actively recruits individuals who share our core values and who understand our mission and want to be part of fulfilling it.

MISSION

Our mission is to deliver unparalleled protection and support, tailored to meet the unique needs of each client. With years of experience and a commitment to excellence, we've earned a reputation as a trusted partner in the security industry.

OUR STRENGTH

- Integrity: We operate with honesty and transparency
- Reliability: We show up when it matters most
- Expertise: Our team is trained by retired Navy and Army officers to handle any situation
- Customer Focus: Your satisfaction is our top priority

OUR SERVICES

Security Guard And Bodyguard

Trained and equipped security guards are placed to handle emergencies and contingencies. We provide Professional & Certified security guard services with day and night shift duties across MAHARASHTRA.

Our bodyguards offer personalized protection for high threats, ensuring professionalism and vigilance to ensure your security is handled with care.

Bouncers

Bouncers are trained to deal with critical situations smartly. Trained to handle physical aggressiveness and verbal arguments within the criteria of security set by the organisation they are deployed.

Pay & Park

Our pay-and-park services offer secure and convenient solutions for short-term and long-term parking needs, providing easy access and round-the-clock security, ensuring your vehicle's safety during your business or leisure activities.

OUR SERVICES

Housekeeping, Sanitization and Hospitality services

We Provide well trained & dedicated housekeeping staff, cleaning staff and hospitality services. Perform a variety of cleaning activities such as sweeping, mopping, dusting and polishing. Ensure all rooms are cared for and inspected according to standards, protect equipment, adhere strictly to rules regarding health and safety and be aware of any company-related practices.

Ward Boy & Caretaker

Ward boys hold the important role in the hospitals. They perform myriads of tasks right from ensuring that a sufficient supply of linen and clean clothing is available for patients to assisting in patient restraint and emergencies. Ward boys also help in maintaining the stocks of non-medical supplies. They help with turning and lifting patients and transferring them by wheelchairs or by movable beds. They clean rooms like bathrooms, utility rooms, showers and also clean the interior windows.

OUR SERVICES

Driving Services

We provide professional and reliable drivers as a service, tailored to meet your unique transportation needs. Whether you require a personal chauffeur for daily commutes, a driver for special occasions, or corporate transportation, our experienced and courteous drivers ensure a safe and comfortable journey every time.

Visitor Management system

1. OTP based solution for verifying visitor's mobile number.
2. Broadcast Management for all the registered flat owners of the society
3. Suggestion Management - One to one communication between client and security agency owner and site in charge regarding the services provided.
4. Multilingual on Guard App - English, Marathi, Hindi
5. Speech to Text Guard App - Speech to Text for easy entry of Visitor details for guards who are inefficient in typing.
6. Vehicle Management - Identification of residential vehicles via QR scanning facility from Guard App
7. Delivery boys Management
8. Service providers Management

Our Work Process

● Recruitment

Management is always looking for a dynamic staff. Each of our staff before deployment undergoes our in-house verification process. Our team scrutinizes their documents, family background, previous job details, contact details & other essentials for verification. Upon successful completion of our in-house verification procedures, We finally enrolled the staff in our company on payroll, and then as per requirement, we initiated the police clearance certificate (PCC) & Training process.

● Training & Placement

Each of our staff undergoes in-house training program as per their job profile (For example: Security Training for physical grooming and mental preparation for the daily rigorous job and finally enrolled in our company payroll. After placement, our operation team completes all the client-based documentation required at the site and gives job treatment as per the client and site requirements. Our team is trained by retired Army and Navy officers who offer & a range of services designed to give you peace of mind

● Mentoring & Controlling

Our back-office staff monitor and control the field activities with the help of our field operation team. Our operation manager & field officers are available 24X7 having individual vehicle and cellular phone with GPRS tracker to establish a direct communication with client for quick response and immediate solution. They also give surprise visit 24X7 to ensure that the staffs at sites remain alert while on duty and performing their duties properly. Daily attendance and reporting of our sites are updated through "Mobile App" installed each of our field operation team's mobile. Field officer's & operation manager meet client or authorised.
